in Rokytnice. A General Manus was mentioned to be Chief of Staff of the air force in 1949. It does not seem likely that he is the Manus mentioned in the report.

- (2) The 69th Mtz Inf Bn was located there in October 1949. [REDACTED] 25X1
- (3) In 1948, the 309th Mtz Arty Bn which was then assigned to the 23d Arty Brig was located in Kostelec. [REDACTED] Since it is believed that the GHD artillery was reorganized, the unit mentioned is possibly no longer there. 25X1
- (4) The strength of the SMD posts assigned to the SMD district headquarters shows that only small SMD detachments are stationed along the Czech-Polish border.
